## WORLDCHEFS GLOBAL CULINARY CERTIFICATION HANDBOOK

## WORLDCHEFS GLOBAL CULINARY CERTIFICATION

WORLDCHEFS CERTIFIED EXECUTIVE CHEF

The holder of this badge is a professional chef with an extensive knowledge and experience of managing food operations. This individual has a proven track record in managing all aspects of a culinary operation which includes strategic planning, managing and developing people, budgeting and forecasting and contributing to the implementation of the establishment's strategic plan. The holder of this badge is employed as an executive chef, corporate executive chef (or equivalent) or run their own business.

## THIS DOCUMENT SHOULD BE READ IN CONJUNCTION WITH THE WORLDCHEFS GLOBAL CULINARY CERTIFICATION INTRODUCTION HANDBOOK

## WHAT THE DIFFERENT COLOURS MEAN

**Skills required:** Skills required to achieve a badge are shown in black colour.

**Examples:** For each skill required, a range of examples are provided to illustrate how the relevant skill can be demonstrated. Examples are shown in blue colour.

Examples are a list of activities which are likely to be carried out when undertaking the role the badge relates to. The list of examples is **not** exhaustive. Individuals are **not** required to demonstrate every skill listed and there may be other relevant skills which are not listed, but can be accepted.

**Definitions:** Key terms, which are used to illustrate the skills required and/or the examples, are explained in light blue colour.

	Worldchefs Certified Executive Chef
	Culinary operation refers to the kitchen, kitchens and/or culinary outlets which are
	part of the establishment and managed by the Executive Chef.
	CORE SKILLS
<u> </u>	
C1	Support the delivery of revenue strategy to achieve set goals
	Provide input into strategic decisions to inform the revenue plan for the establishment
	Support line manager to develop the establishment revenue plan
	Develop revenue plan for the culinary operation
	Work with direct reports to implement the revenue plan for the culinary operation
	Manage a co-ordinated delivery of operational projects underpinning the culinary
	operation, within budget and on time
C2	Set and monitor targets
CZ	Translate the establishment revenue plan into targets and action plans for the
	culinary operation
	Set and communicate targets and action plans to all teams within the culinary
	operation
	Monitor the business performance of the establishment
	Monitor the performance of the culinary operation against establishment targets
	and action plans
	Take corrective action, as necessary, to ensure the targets set for the culinary operation are met
C3	Lead and manage teams to achieve targets
	Set a clear strategic direction for the culinary operation
	Set objectives for direct reports to achieve targets and goals
	Oversee the day-to-day operation of the culinary operation and manage any issues
	which have been escalated
	Conduct meetings for direct reports and the wider business, as necessary
	Conduct performance review for direct reports
	Manage performance issues, disciplinary actions and terminations
	Monitor the performance of the culinary operation and the establishment to identify
	opportunities for improvement
	Establish and maintain effective working relationship with staff, peers, line manager
	and line manager's peers

C4	Provide guest service
	Manage and coordinate all activities related to the culinary operation to ensure that
	that the food and food service are in line with establishment standards
	Monitor the quality and efficiency of food production and service to identify areas
	for improvements
	Formulate and implement strategies to maximise guest satisfaction
	Highlight potential problem areas to line manager and make recommendations for
	improvement to manage the reputation of the establishment
	Identify training needs to address problem areas, as necessary
C5	Solve problems and deal with pressure effectively in own area of responsibility
	Manage complex guest requirements and <b>serious complaints</b> which have been
	escalated
	Anticipate possible <b>circumstances</b> across the culinary operation and take action to
	pro-actively address these
	Conduct daily and random inspections to spot any service issues
	Be available to assist to help resolve any issues or problems
	Serious complaint refers to a situation where a guest raised their dissatisfaction with
	the food served, the food service and/or the establishment and which can create a
	reputational or commercial risk for the business. A serious complaint requires senior
	management level and/or external intervention.
	<b>Circumstances</b> refers to situations, conditions, hazards, guest requests and/or
	complaints
~	
C6	Manage guest feedback effectively
	Monitor guest requirements, comments and service issues and identify problem
	areas or areas for improvement
	Respond to guest feedback/comments which have been escalated
	Develop and implement strategies to improve food and food service, based on
	guest feedback
~7	
C7	Recruit staff
	Identify recruitment needs for positions within the culinary operation
	Screen candidates for direct report positions
	Conduct interviews for direct report positions
	Select and appoint direct report positions
	Support interviews for other areas related to food and food service, as required
	Develops strategies to retain staff and reduce turnover within the culinary operation

C8	Manage staff training and development
	Deliver induction to the culinary operation and other departments, as necessary
	Oversee training plans to ensure staff within the culinary operation receive necessary
	skills training to maintain establishment standards and deliver guest experience
	Oversees training delivered within the culinary operation
	Monitor food, food service and guest food experience delivered to identify further
	training needs
	Coach direct reports, as necessary, to maintain standard operating procedures
	Develop and implement effective practices for the culinary operation to maximise
	revenue and/or improve profitability
	Constantly identify opportunities for direct report to develop new skills
	Work with direct reports to identify opportunities to help team members in the
	culinary operation progress
C9	Manage finances
	Assist in the development of the establishment's <b>business plan</b>
	Develop and implement the financial plan for the culinary operation
	Analyse financial performance and make adjustments to the kitchen operations, as
	necessary, to achieve goals set out in the financial plan
	Monitor sales and revenue figures to make sure targets are met
	Take pro-active measures in response to business needs
	Negotiate prices for the culinary operation, as part of procurement process
	Agree salaries for roles with relevant colleagues responsible for recruitment,
	workforce and financial planning
	Business plan is the annual breakdown of the business strategy and includes
	financial plan.
	Business strategy refers to an overarching plan of strategic initiatives, including the
	<b>revenue strategy</b> , which will help achieve the strategic vision of the establishment.
	<b>Revenue strategy</b> refers to a plan of strategic actions, including sales and
	marketing activities, which will contribute to short and long term financial goals of
	the establishment.
C10	Plan and manage resources to drive efficiencies
	Manage the procurement of food and non-food items for the culinary operation to
	maximise productivity and profitability
	Manage stock levels and stock takes for the culinary operation
	Oversee the management of staffing levels within the culinary operation
	Oversee the maintenance of kitchen and service equipment to ensure the effective
	running of the culinary operation

C11	Promote sustainable practices in the kitchen
	Demonstrate an understanding of key barriers that a culinary operation may need to
	overcome to establish sustainable practices in the kitchen:
	- Reducing food waste
	- Recycling waste/packaging
	- Economic use of power and electricity
	- Consideration of carbon footprint: the environmental impact of getting goods to
	the establishment (eg food miles)
	- Consideration of animal welfare

	Worldchefs Certified Executive Chef
	ROLE SPECIFIC SKILLS
R1	Demonstrate an understanding of own role and the role of the culinary
	operation Explain key activities that are part of own role
	Describe how different departments/teams within the establishment work together
	to deliver food and food service
	Explain how the culinary operation can contribute to improving the profitability of
	the establishment
<b>D</b> 2	
R2	Manage the culinary operation to deliver food and food service
	Manage the day-to-day operations of the culinary operation to achieve delivery standards
	Provide a physical presence by walking the kitchens and dining areas and by
	engaging with kitchen staff and guests

	Demonstrate a detailed knowledge of the establishment
	Manage issues, guest feedback, comment or complaints which have been escalated
	Review the performance of the culinary operation to identify any issues that need to
	be addresses and take appropriate corrective actions
	Oversee and adjust staffing levels in the culinary operation to ensure maximum profitability
	Work with direct reports to review guest feedback and to identify areas for
	improvement
	Celebrate success/positive guest feedback
R3	Plan menus for the culinary operation
	Design dishes for a variety of events/occasions, taking into account <b>guest</b> and
	<b>establishment profile</b> and type of cuisine the culinary operation serves Ensure that all menus deliver a variety of menu items required by the establishment,
	within budget
	Co-ordinate recipes to ensure optimal food inventory and cross utilisation of
	products
	Ensure menus cater for guests with special requirements and special diets including
	allergens
	Ensure menus reflect seasonality and sustainability
	Work with the direct reports to develop the menus, as necessary
	Constant and Clause for the share statistic solution in the state of the state of the state of the state of the
	<b>Guest profile</b> refers to characteristics which describe the type of customers who would dine at the culinary establishment and which are used to make decision concerning menu items and the service. These characteristics may include information such as demographics, gender, age, ethnicity, religion, location social
	background, buying patterns, income, purchase and dietary preferences.

	Societiis
	<b>Establishment profile</b> refers to characteristics of the culinary operation including
	location, guest profile, style of décor as well as local and regional requirements (eg
	sustainability, sourcing of food etc).
R4	Produce and present complex dishes to standards set by the culinary operation
117	Ability to produce and present <b>complex dishes</b> to standards set by the culinary
	operation
	Complex dishes include appetisers, entrees, main courses, sauces, hot and cold
	desserts which require the use of <b>complex recipes</b> .
	<b>Complex recipe</b> refers to a recipe which uses many steps, complex combinations of
	ingredients, quantities, timings, a range of cooking methods and techniques. A
	complex recipe is expected to be technically challenging and demonstrate
	advanced level of knowledge and skills both in terms of cooking and presentation.
R5	Manage the procurement of ingredients and supplies for the culinary operation
	Identify and select suppliers to ensure the needs of the culinary operation can be
	met, within budget
	Ensure specifications for food items meet establishment standards and are in line
	with budget requirements
	Manage combined inventory and par levels
	Negotiate prices for the establishment, as required
	Oversee the ordering processes to maximise efficiencies
	Manage any issues related to food deliveries which have been escalated
	Manage supplier relationships
	Maintain stock levels in line with business needs
R6	Ensure that the principles of <b>food safety</b> are applied across the culinary
	operation
	Work with chefs de cuisine (or equivalent) to ensure kitchen staff all apply the
	tollowing practices:
	following practices: Maintain personal hygione required for handling food
	- Maintain personal hygiene required for handling food
	<ul> <li>Maintain personal hygiene required for handling food</li> <li>Keep the work area(s) and equipment clean and hygienic, using appropriate</li> </ul>

	<b>Guest profiling</b> refers to the process of analysing the characteristics which describe the type of customers who visit the restaurant and the characteristics of the restaurant to make decisions concerning guest service.
R10	Demonstrate a working knowledge of technology, appropriate for own role
	Use point of sales technologies or equivalent to run management reports for the
	culinary operation to track and analyse performance (eg staff costs, sales figures,
	inventories and reservations)
	Use a combination of reports to inform management and strategic decisions for the
	culinary operation
	Demonstrate a competent and safe use of kitchen equipment which has built-in
	digital or smart technology
	Use social media to monitor feedback
	Use social media to respond to guest feedback, as required
	Use digital communication devices to carry out research to find out about new
	trends, ideas, techniques and styles

	Worldchefs Certified Executive Chef
	PROFESSIONAL DEVELOPMENT
P1	Demonstrate in-depth knowledge of career pathways within the hospitality
	industry, including progression opportunities for current role
	Describe the structure of the establishment
	Describe how the culinary operation works with other parts of the establishment Identify career opportunities and pathways to those opportunities within the culinary
	profession and the hospitality industry
	Describe opportunities to progress from current role (ie next steps)
<u> </u>	
P2	Undertake a range of training or learning activities to acquire new or update existing skills and knowledge
	Identify <b>training or learning needs</b> specific to own role
	Participate in training or learning activities
	Provide evidence of training or learning undertaken
	<b>Training or learning activities</b> refers to on-the-job training, workshops, seminars, conferences, courses, competitions and mentoring.
	<b>Training or learning needs</b> refers to the development of skills and knowledge related to culinary arts which may include:
	- Product knowledge and food trends
	- Understanding of new developments, IT systems and equipment
	- Changes to legal or industry regulations such as health and safety and food safety
	<ul> <li>Changes to establishment standards</li> <li>Development of soft skills such as communication and teamwork.</li> </ul>
	- Development of soft skins such as communication and teamwork.
P3	Apply knowledge gained from the professional development activities to:
	- Improve working practices in the culinary operation
	- Inform the strategic direction of the culinary operation and the establishment
	Identify opportunities to apply new knowledge/skills learnt
	Describe how new knowledge/skills learnt have been put into practice:
	- Changes made to the way in which the culinary operation works and the impact of
<u> </u>	the changes
	Make recommendations for changes to the strategic direction of the culinary
	operation and the establishment.

P4	Develop and maintain own professional reputation as an executive chef, corporate executive chef or equivalent
	Ability to show, through a range of evidence from peers, customers, senior staff or competitions, excellence in the culinary skills
	Ensure skills and knowledge remain current and reflect the latest cooking techniques and culinary trends
	<b>Professional reputation</b> is the recognition of excellence through peer reviews, feedback from customers or senior staff or success in competitions (for example Worldchefs endorsed competitions).
	<b>Maintain own professional reputation</b> refers to actions taken to ensure skills and knowledge remain current and reflect the culinary techniques and trends.
